SECOND REQUEST FOR RETURN OF INITIALED FORMS PTO-1449

Sir:

Applicant notes with appreciation the Examiner's return of a copy of one of the Forms PTO-1449 submitted with the Information Disclosure Statement of August 9, 2000 listing the art considered in the parent application. It is noted, however, that the Examiner only initialed some of the documents listed that Form and did not return an initialed copy of page 2 of 2 of the Forms PTO-1449 submitted with the August 9, 2000 IDS. It is believed that this is an advertent error and for the Examiner's convenience copies of both of those Form PTO-1449 are attached. It is respectfully requested that the Examiner now initial all listed documents so that the undersigned's records are complete and so that the printed patent accurately reflects that the documents considered in the parent application have actually considered in this case as requested.

Prompt attention to this requested is solicited.

Respectfully submitted,

NIXON & VANDERHYE PC.
